

I am a registered voter and taxpaying citizen of the United States of America. I pay for XM satellite programming and have enjoyed it since it's inception. The NAB has no business trying to dictate what I listen to since I am paying for it. I pay because I choose variety. Variety that I cannot get from traditional radio broadcasts. As a matter of fact I no longer listen to plain radio at all. I ask that the FCC reject NAB's petition 04-160. This type of old style bullying must stop.
